Terms & Conditions

All advertising rates on westorlandonews.com & thepinehillsnews.com are fixed to a daily rate.

The following terms govern the sale and placement of Advertising on the Web, in addition to the other terms specified in this Advertising Agreement:

1. Ads may be subject to minimum run times, the maximum is for 12 months. Each month is 4 consecutive weeks, Monday through Sunday; a 12-month buy includes 4 bonus weeks (for a total of 52 weeks).
2. All positions are sold with a 1:4 rotation; rotation is random, and the exact percentage of page views within a rotation is approximate and cannot be guaranteed.
3. Rates are based on specification-compliant Web-ready advertising supplied by advertiser. Composition charges (a minimum of \$100 per ad unit) will apply to ads designed by Publisher and to changes effected by Publisher at advertiser's request or when deemed necessary by Publisher's technical team. Limits and additional charges will apply to media rich ads.
4. Ads will appear on all active pages or sections, including new pages or sections added during commitment, within the advertising commitment category as defined by Publisher, provided the ad size that is ordered is used on such page or sections.
5. The commitment of advertisers who order partial site buys may be interrupted by full-site buys competing for the same space; an interrupted commitment will be resumed within five weeks, or the advertiser will have the option of changing its commitment or requesting a pro-rata refund of the unused portion of its commitment.
6. No warranty as to the site's online connectivity or viewership is made or implied
