PRESS RELEASE

St. Cloud, FL – Due to the increasing trend in prostitution solicitations from on line escort websites, the St. Cloud Police Department’s Investigative Services Division, conducted a prostitution sting operation on September 12, 13, and 14, 2012. This operation was designed as a proactive effort to deter prostitution and online solicitation of prostitution activities within the City of St Cloud and surrounding areas.

Detectives of the St. Cloud Police Department, contacted individuals who advertised on the www.backpage.com website, under the section “adult escorts”. Individuals who agreed to engage in sexual activity in exchange for money were given a location where they were subsequently arrested. Detective also targeted individuals who frequent this website with the intent to solicit individuals for prostitution. As a result of this operation a total of 40 individuals were arrested. All 40 subjects were transported to the Osceola County Jail.

Additional information and booking photos can be found at the Osceola County Jail’s website at www.osceola.org/correctionsdep/home.cfm under inmate search.
