Re: Endorsement of Your Candidacy

To Mr. Wallace:

It has come to my attention that your campaign has presented a forged letter from President Obama endorsing your campaign for Orange County Commissioner District 6.

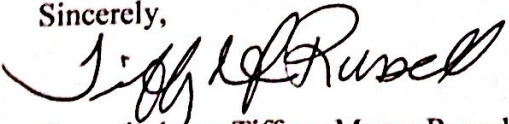

I am appalled that your campaign would attempt to deceive the voters of District 6 in an effort to win the seat that I have held for the past 8 years.

In addition, as a candidate for Orange County Clerk of the Courts, my role entails being the 'keeper' of Orange County Court records. With that said, it is imperative that I maintain my integrity by disassociating both myself personally and my campaign from those who have been found to produce fraudulent documents.

It is unfortunate that campaigning has come to this. However, as the District 6 elected representative, it is important that I maintain the public trust by only supporting fair, honest and accurate campaigns.

As such, I can no longer lend my name and or support to your campaign. Therefore, I am renouncing my endorsement of your candidacy to the seat that I have held for eight years. Please immediately cease using my name, endorsement or image on any of your campaign material.

Sincerely,

  
Commissioner Tiffany Moore Russell
