**A BILL**

To require public institutions of higher education to disseminate information on the rights of, and accommodations and resources for, pregnant students, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Pregnant Students’  
5 Rights Act of 2023”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1           (1) Female students who are enrolled at institu-  
2           tions of higher education and experiencing un-  
3           planned pregnancies may face pressure that their  
4           only option is to receive an abortion or risk academic  
5           failure.

6           (2) 27.6 percent of all abortions in the United  
7           States are performed on women of college age, be-  
8           tween the ages of 20 and 24, according to a 2019  
9           report by the Centers for Disease Control and Pre-  
10          vention.

11          (3) A significant proportion of abortions in the  
12          United States are performed on women of college  
13          age who may be unaware of their rights under title  
14          IX of the Education Amendments of 1972 (20  
15          U.S.C. 1681 et seq.) or deprived of an alternative to  
16          receiving an abortion.

17          (4) Additionally, women on college campuses  
18          may fear institutional reprisal, loss of athletic schol-  
19          arship, and possible negative impact on academic op-  
20          portunities.

21          (5) An academic disparity exists because of the  
22          lack of resources, support, and notifications available  
23          for female college students who do not wish to re-  
24          ceive an abortion or who carry their unborn babies  
25          to term.

1 **SEC. 3. NOTICE OF PREGNANT STUDENT RIGHTS, ACCOM-**  
2 **MODATIONS, AND RESOURCES.**

3 Section 485 of the Higher Education Act of 1965 (20  
4 U.S.C. 1092) is amended by adding at the end the fol-
