

FLORIDA

v.

CALIFORNIA

Attorney General James Uthmeier is taking Gavin Newsom
to the U.S. Supreme Court to
END CALIFORNIA'S SANCTUARY POLICIES

FLORIDA LEADS WITH SUPPORT FOR THE TRUMP ADMINISTRATION

- ▶ Thanks to the leadership of Governor DeSantis and the Florida Legislature, Florida is the federal government's #1 partner in enforcing immigration laws.
- ▶ FDACS and FHP are enforcing President Trump's Executive Order that ensures commercial drivers are proficient in English at agriculture checkpoints and weigh stations.
- ▶ Florida has the most law enforcement agencies deputized under 287(g) by ICE.
 - Florida's law enforcement agencies have a total of 326 signed 287(g) agreements - the next closest state is Texas with 185.

FLORIDA STRIKES BACK

- ▶ Attorney General Uthmeier will argue in the US Supreme Court that Gavin Newsom's sanctuary policies are having a detrimental impact on Floridians and leading to increased costs on taxpayers and unnecessary, tragic deaths.

CHAOS AT THE BORDER

- ▶ 4 years of Biden's open border was a national disaster, but Florida stepped up:
 - Strengthened E-Verify
 - Banned sanctuary cities
 - Conducted maritime interdictions
 - Sent FHP & State Guard to Texas

CALIFORNIA'S SANCTUARY POLICIES ARE DEADLY

- ▶ Sanctuary states hand out driver's licenses and other benefits that encourage illegal immigration.
- ▶ California's action cause deadly incident in Florida:
 - Harjinder Singh, illegal alien with CA commercial driver's license.
 - Florida subpoenaed Singh's employer, White Hawk Carriers.
 - Singh made an illegal U-turn in St. Lucie County that killed 3 people.
- ▶ CA "Values Act" bans agencies from asking immigration status.
- ▶ Policies allow unsafe drivers on the road who don't know English behind the wheel of 40-ton trucks.

FLORIDA WILL FIGHT FOR AMERICAN SOVEREIGNTY AND END CALIFORNIA'S LOVE AFFAIR WITH ILLEGAL ALIENS.
